

VOTE

Voting drives 101: Register high school seniors!

Focus on graduation season!

Every spring, **4 million students** graduate from high school. They're all old enough to register to vote!

Wondering when to hold a drive for seniors?

Think graduation rehearsals, senior week, yearbook signings, or another event. Consider your school's graduation traditions and be creative to reach as many seniors as possible.

Brainstorm: what are the best practices for a voter registration drive at your school?

- What **student leaders** can get involved? Bring in groups like National Honor Society, Student Government, or sports teams!
- Do you know school **staff members** who can help? Think social studies teachers, club advisors, coaches, administrators, and more!
- Could **parents** of seniors or parent associations help in any way?
- The **DC Board of Elections** can assist at a drive! Reach out to have an employee come to the drive, or ask them to provide registration forms.

Get 100% of your senior class registered to vote!

**YOUR VOICE
MATTERS. ote**
